

**Sleek
&
Stealthy**

The **Renew Digital Nomad Backpack**

enhances the ever-evolving remote work setup! It features a sleek and stealthy style and silhouette with four crafty compartments for easy grab items, stationery, tech, clothing, toiletries, and a 15" laptop. It's a hybrid bag for business and personal items, enabling hands free carry on public transport and comfortable air travel with its dedicated luggage strap. Organize items and maximize time for remote and communal workspaces, the Digital Nomad Backpack makes it simple to easily pack up and carry a complete workstation.

Default branding on the Renew Digital Nomad Backpack is silk screen centered below the zipper.
