

September, 2018

Subject: Letter of Guarantee

Style: P526

To whom it may concern,

We certify that all packing and packaging components sold to Spector and Co and or your subsidiaries comply with the requirements of the toxics in packaging law(s). Specifically:

- 1) We certify that the regulated metals-Lead, Mercury, Cadmium and Hexavalent Chromium—were not intentionally added to any package or package component during the manufacturing process.
- 2) We further certify that the sum of the incidental concentration levels of lead, Mercury, Cadmium and Hexavalent Chromium present in any package or package component does not exceed 100 parts per million by weight.
- 3) We will maintain adequate documentation of this certification for inspection upon request.

****Addendum:

The state of Iowa (IAC 455D.19) also requires the following certification:

We further certify that no materials used to replace the heavy metals are present in a quantity or manner that creates a hazard as great or greater than the hazard created by the regulated.

If you should have any questions, please don't hesitate to contact me.

Best Regards,

Maria Fidalgo
Compliance Coordinator
