## PLEASE NOTE:

- There may be slight inconsistencies in the positioning of the liner pages due to the slight size variations within the journal batch.
- The finished liner will have a white border on each page to avoid creases around the fold of the book.
- Prior to production, an electronic proof will be sent for your approval.
- Dark/solid color background is not recommended because there will be a variation in the tint on the heat transferred liner pages.
- Light color background are recommended for a clean & consistent result.
